Boyden High School
Salisbury, North Carolina

Dedication

Our friend, Miss Catherine Whitener

She gives freely of her time to improve student-teacher relations.

The 1964 Echo Staff proudly dedicates this yearbook to a teacher who holds the love, highest respect, and confidence of every student at Boyden High School. With a Masters Degree in English, she is one of the most intelligent and capable teachers here. Her devotion and interest in her work is shown by the extra time and effort that she gives to her students.

She offers a bright, warm smile, understanding, and friendship to everyone. Her love for her students is equaled only by her students' love for her.

She works quietly, diligently, and efficiently as adviser to the Student Council. As a token of our admiration, we dedicate this, the 1964 Echo, to Miss Catherine V. Whitener.

Foreword

The Echo Staff has tried, in preparing this annual, to make a gift to each student at Boyden High School. Your Echo is a ticket to memories. In future years it will enable you to travel back in time to your days at Boyden. Then completely oblivious to the world about you, you will relive the football games, the band marching, the parades, the clock ticking away the minutes, the jostling crowds as classes change, and all the little ups and downs that you experienced as a Boydenite. Your ticket to Boyden can be used as long as your heart cherishes the memories you made in her mellowed classrooms and her marble halls.

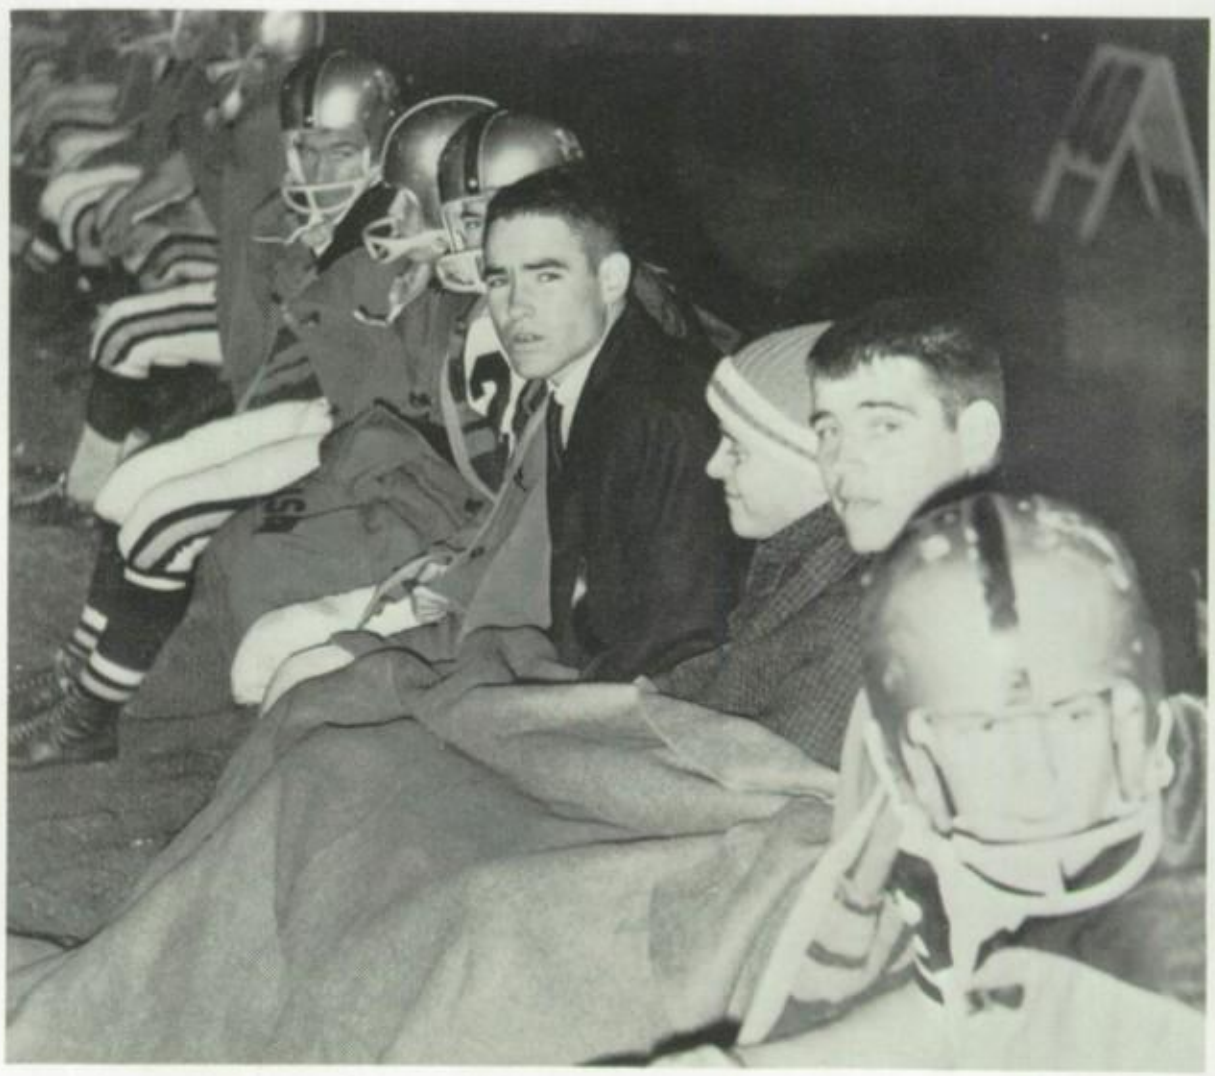
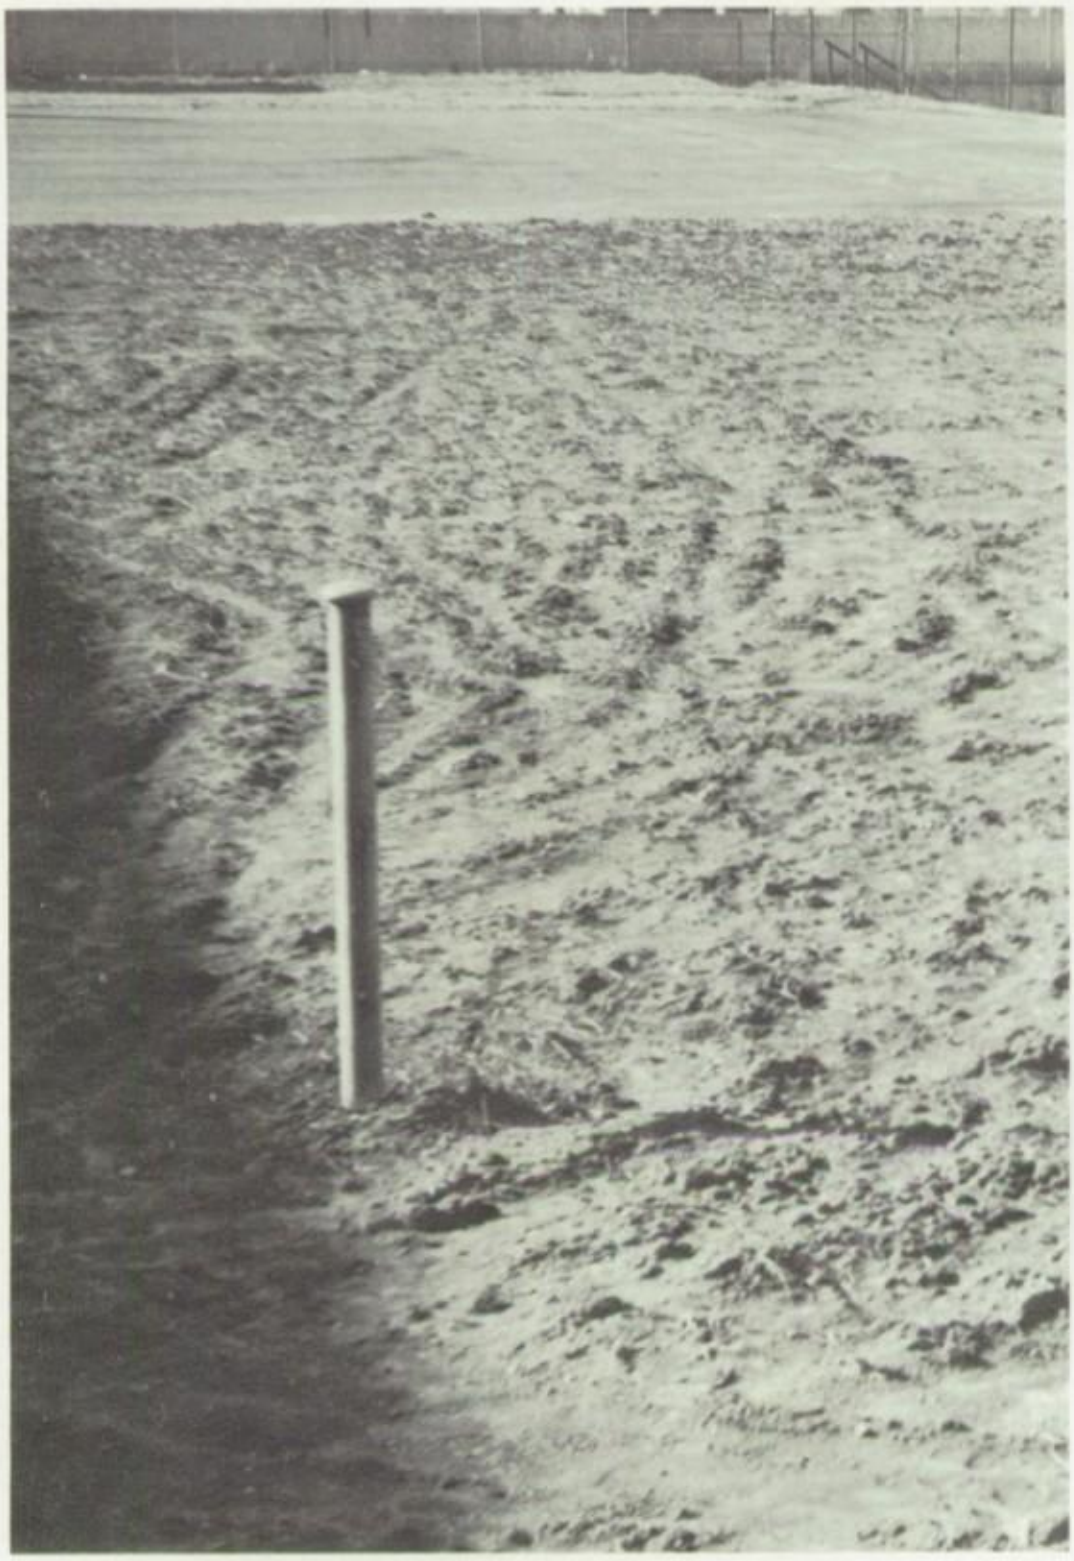
MEMORIES

This will be my moment
to remember.



What a way to play our
last Homecoming Game!

Let's can the Bulldogs!



Come on girls. It
won't hurt but a minute.

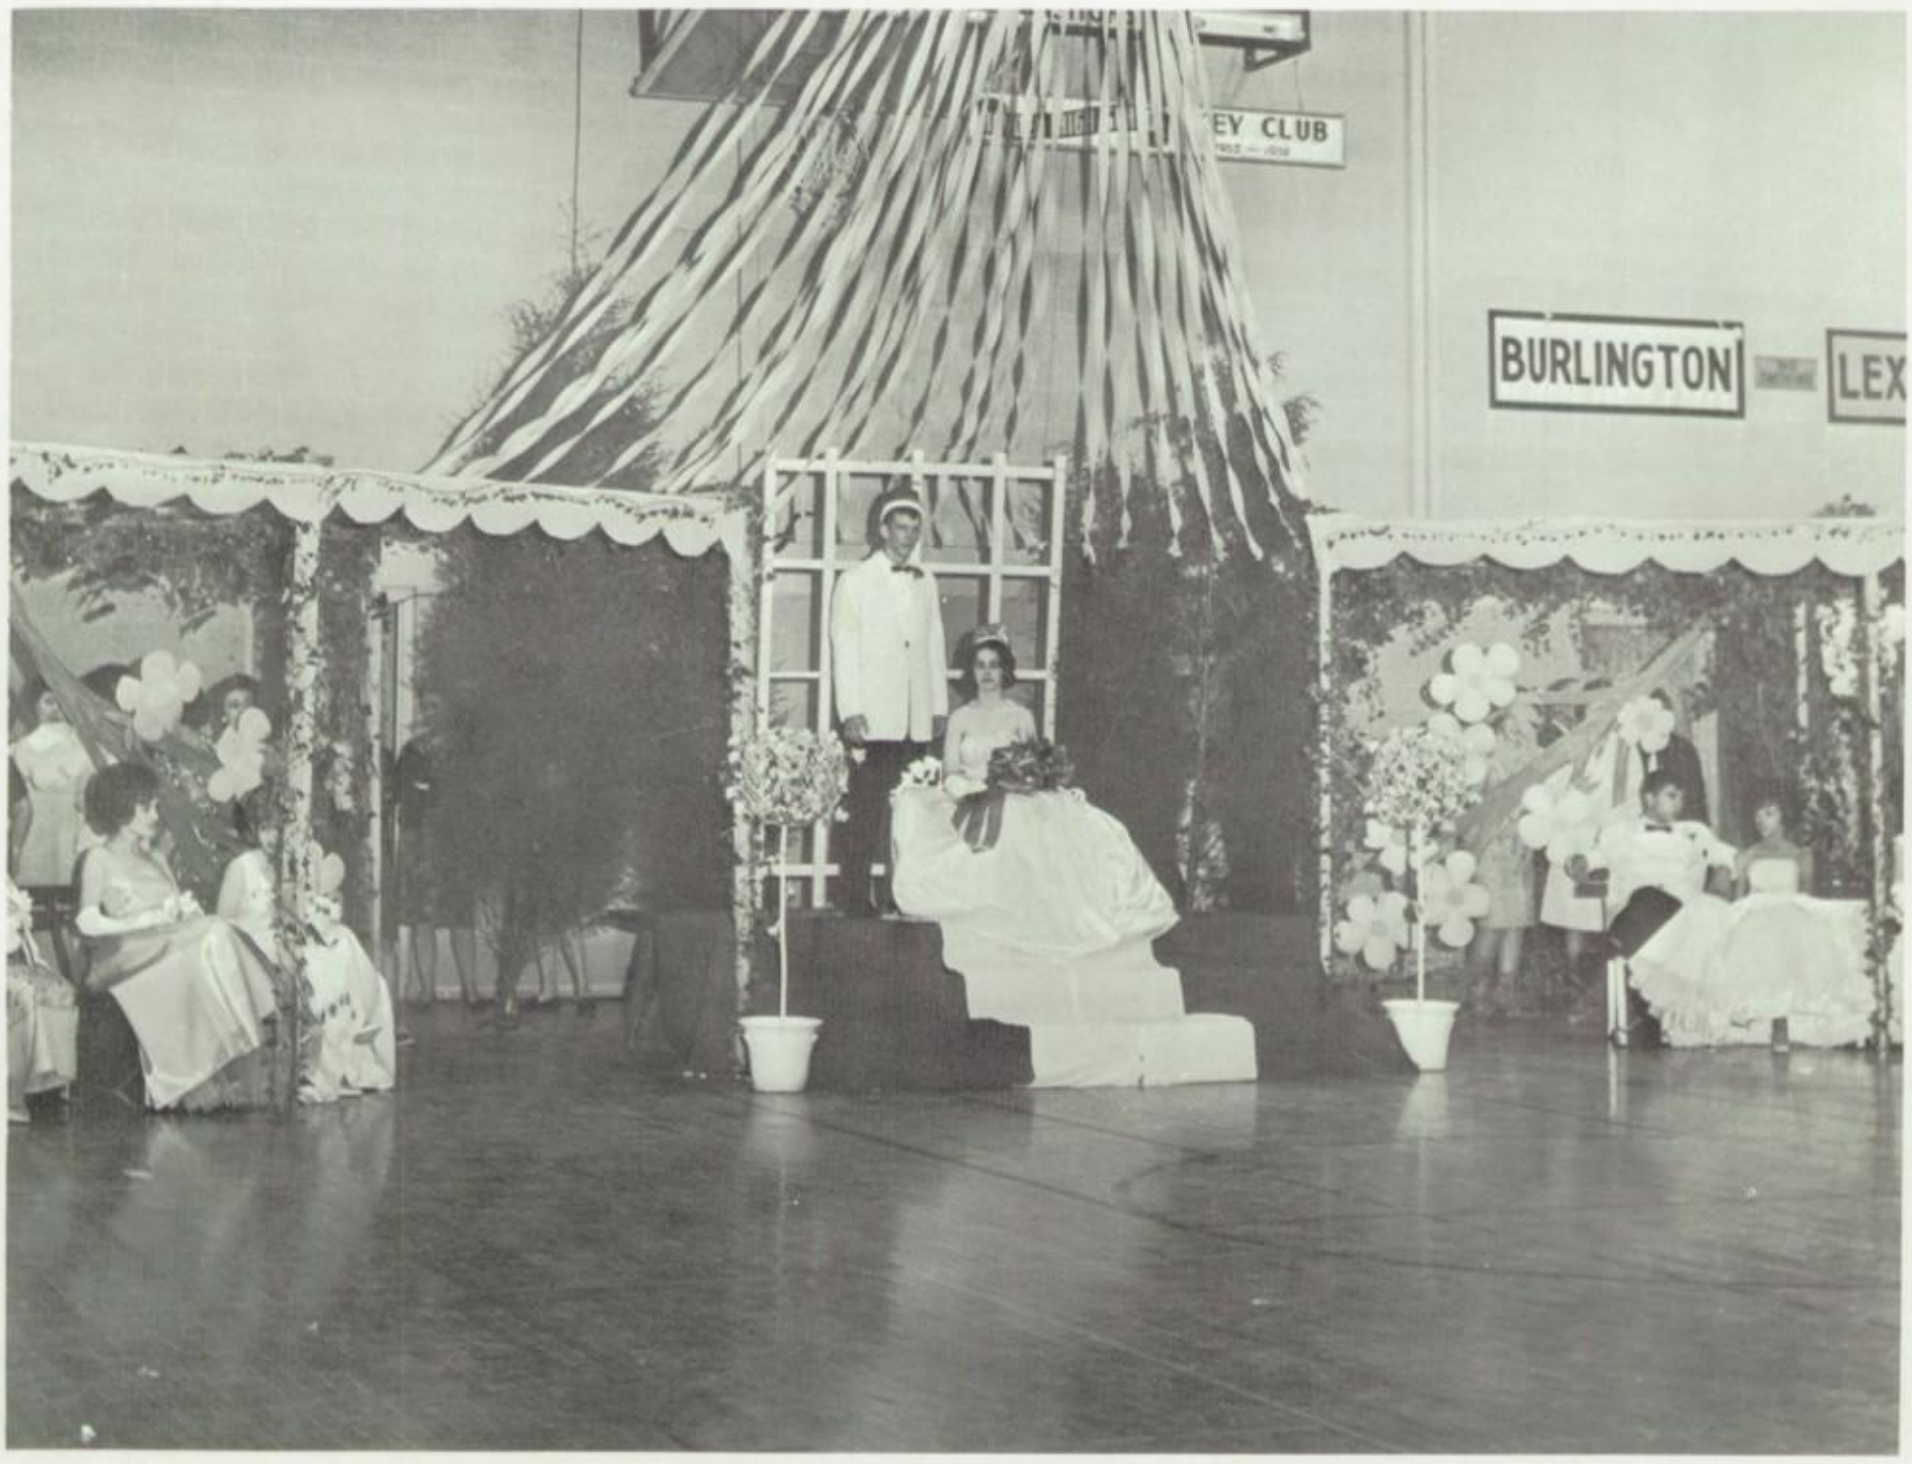
At last we paved the
rice paddies!

The Burlington scoreboard lights up for an exciting B.H.S. victory.

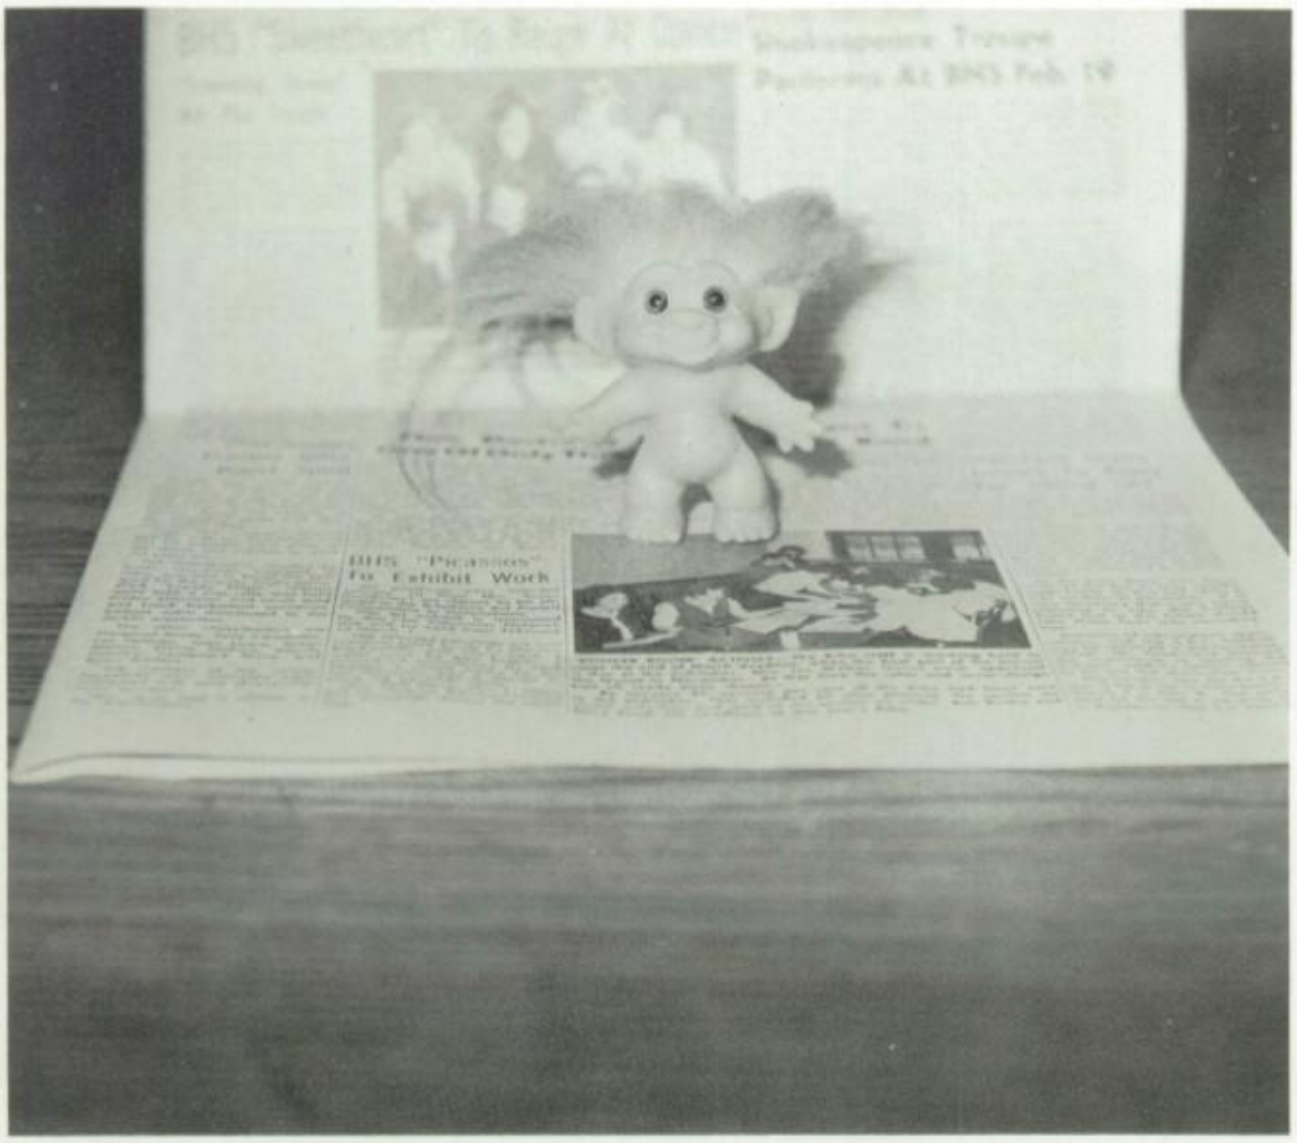
Go, fight, win!!

Dance to the music of the El Roccos.

The best dance of the year!
We even **danced!!**



"Apple Blossom Time" proved to be a perfect evening.



The Romper Room mascot.

The number one team is in action.

Boydenites head for their after-school headquarters, the Drug.

What, it's unoccupied?! Somebody's slipping.

This looks like a
neat Senior's locker!

Win or lose, elections were an exciting
week for everyone.

Come on now! We need more
posters than **this!**

Look you guys. **I'm** catching that ball!

"But you can't vote for yourself, Bob."

Now's our chance to get even with those boys. We'll show 'em!

Lets see now, how can we take over **this** school?

Pictures are worth a thousand words.
"We love you, Boyden."

Even the rain can't keep us away from Blackie's

Girls' State

The Ladies' Auxilaries of the Samuel C. Hart and Harold B. Jarrett Posts of the American Legion sponsored the representatives to Girls' State at the University of North Carolina at Greensboro. These representatives were selected on the basis of school, community, and church activities. In order to better understand the governing of North Carolina, they set up a miniature state government and all worked on the organization of a city administration and voting precincts. They ratified their town charter in the state legislature. Later during the week, a governor, lieutenant governor, and other state officials were elected. The girls toured the State Capital and Legislative Building in Raleigh, saw Duke University, and concluded with a picnic with the Boys' State representatives.

This has been one H of a year. Remember, whatever you do, don't be caught Roaming on "audible" in a College library (O Heaven forbid) Keep ~~Sp~~ smiling always.

Capt. Tom Tom

The last few years with you have been wonderful. We have known each other for a long time. You are really a lot of fun, I have enjoyed knowing you and I appreciate all of your help in the last years. Best of luck in the future, I know you will go far.

Jim Monroe

Clegg,

I have enjoyed being in English and playing baseball with you this year. Have a good time at Cat-U (CATAWBA) next year. Take it easy this year. Good luck in the future to a wonderful friend.

Wayne Woof

Well Clegg

We've shared some pretty good times together going to and from baseball games. Don't forget last year and good old "Wild Bill" Richardson's U.S. History class. This year we're in more classes together and have finally just about made it — anyway we're past Miss Millie (Gov't). I wish you a nice and H— raising summer and am looking forward to going to school with you next year at good old Catawba. Best of luck to a deserving fellow.

Wayne Hage

Clegg,

Well, I won't start off with how long I've known you because that's been all my life! I know you've enjoyed the past four years as much as I have. I just want to wish you all the good luck and happiness in the world!!!

Always,
Anne Ritley

Clegg,

Best wishes to you and here's wishing you the Best.

Always,
